Interview

As follow up of your registration we will conduct an interview. The interview is a conversation we will have with all our prospective students. We will discuss the training and working experience that you've already had and how this aligns with the level of the course. Also, we will discuss what you expect from this course, so we can ensure the course aligns with your future ambitions. In the end we aim for everyone to be able to finish this course successfully

Herewith, I confirm I have read and agree with the general terms and conditions.
